## Total Life Cycle Management

### New / Existing Products & Support Sales:

- We are a reseller of All major OEMs from Adtran to Zyxel and we offer our own data center accessories and data center support.

### OEM / AOM:

- We step-in and step-up, when OEM maintenance expires, providing AOM (Alternative to OEM Maintenance) solutions and extending the asset life-cycle.

### License & Subscription Management:

- Gain Access to Our Exclusive Partner Free cloud-based Asset & License Management Portal. Physical assets and software licenses can be easily managed.

### Service Delivery:

- KiloTech offers End of Life/Discontinued and Break Fix hardware support for Legacy systems. We offer contracts to extend the serviceable life of your Network, Servers, and Accessories.

### Certified IT Asset Disposition:

- Data Destruction and Asset Disposition provides peace-of-mind knowing that customer information is removed, and physical drives, memory, tapes, and other material has been destroyed.
